contact Eric 522-8842

Pointers Last Fun Trail: Aug 16th - 7:00 am
Training grounds

**MHGDC Christmas Party ~ Wild Game
Feed.** Dec 16th ~ 7:00 PM

PRESIDENT'S MESSAGE

One of our long time members, Datus Proper, passed away recently. It's always hard for me to decide what is the right thing to show respect and sorrow at someone's passing. We decided that MHGDC will make a donation in honor of Datus to Trout Unlimited since he was fishing when he moved on. Goodbye and good luck Datus.

Annual Picnic & Sporting Clays Shoot

The annual picnic/ sporting clays shoot will be held at Gallatin Sporting Clays course on August 16th. MHGDC will provide a picnic meal and if you are not a member of the sporting clays course you will be able to shoot a round at a reduced price. Shooting will begin at 3:00 and dinner will be at 5:00.

The annual pheasant championship will be held the following day on August 17th. This is always a fun event. You get a chance to see other breeds work as well as seeing how your favorite pheasant dog stacks up against other dogs and breeds.

This is a mildly competitive event. We don't judge training, or style or speed. We are seeing how you and a hunting partner and your dog work as a team. The only thing we do not relax is the standard of gun safety.

Any breed, pure or not, registered or not is eligible to run in the pheasant championship. It is a great event for someone that loves their hunting dog but does not choose to run in any of the sanctioned events we hold.

We could use some help with bird planters and scorers. If you can help please call Jack Weiss or myself.

The FWP has a new program for fishing access sites. They are asking organizations to adopt sites much like the highway clean ups. We have been approached to adopt the Fairweather access site. It would involve twice a year cleanups and the FWP would install a sign giving us credit for maintaining the site.

I think this would be a great public service event as well as continuing the great working relationship we have with Region 3 FWP. I am going to recommend to the board at the next meeting that we accept this proposal. If you have any comments contact your board member.
