Presidents Message

The annual meeting / banquet was another success. The weather kept some people away, about sixty five attended compared to the one hundred that we normally expect. There was lots of socializing, eating and prize winning. We recognized accomplishments and elected this year's officers.

Sam Robinson did an excellent job of organizing the raffle / auction. The items were truly outstanding and with the lower attendance some members couldn't hardly carry their winnings (Dan). Our goal is to raise enough money from the raffle to provide the meal to our members and their families at no charge. The final tally isn't in but it looks like we accomplished it again.

We will try to list the businesses that contributed donations. The way to thank these sponsors is to patronize their businesses. While there please express your gratitude and let them know you are a member of the club.

The pheasant championship is almost filled. If you would like to enter or are willing to help, please contact Jack Weiss @ 586-6365

We would like to put together a club cookbook. Any favorite recipe, wild game or domestic, is welcomed. Please submit to: Tracey Setzer, 16360 Madison Frontage Rd., Three Forks, MT 59752 or email: Setzers5 @ aol.com

The Headwaters State Park is becoming more popular as an area for other groups to use. If you have an event coming up be sure to apply for a field trial permit early to ensure reservation of the grounds. On **May 3,4,5 and May 17,18,19 2002** the boy scouts will be using the horse pasture portion of the park. Be sure to plan training for other areas.
