ADDITIONAL TERMS AND CONDITIONS

- 1) This permit does not imply exclusivity to the club for the use of the Horse Pasture. The club or its members may not exclude the general public from entry or use of the Horse Pasture. Exception: Restricted Public use may be imposed within the defined field trial area, during one of the four field trial events.
2) The Gun Dog Club may ONLY utilize that portion of the Missouri Headwaters State Park known as the Horse Pasture for the purpose of conducting organized Field Trials and will not exceed (4) four two-day Sanctioned Field Trial events and (2) Training Evaluation days per month April through August, (Club Members Only) during any one calendar year. An event is defined as a licensed field or hunting trial. A Training Evaluation day is defined as a Non-Sanctioned or Non-Licensed activity by club members only.
3) A copy of this permit must be distributed to all members of the Missouri Headwaters Gun Dog Club so they are knowledgeable of the terms and conditions attached to the permit. All club members must individually abide by the permit terms and conditions or their privilege to use Missouri Headwaters State Park for dog training purposes will be revoked.
4) For the purpose of training dogs or allowing dogs off leash from January through December, Individual Club members and the general public may utilize ONLY the Horse Pasture while at Missouri Headwaters State Park.
5) Live Ammunition:
a) No live ammunition may be discharged in areas of Missouri Headwaters State Park other than the Horse Pasture, March 1 to August 31. The use of poppers will be limited to the Horse Pasture and the gravel pit.

The use of poppers in gravel pit area may only be used during the period of the first of April to the end of May.

- b) Warning signs informing the general public that live ammunition is being used during field trials will be prominently posted around the perimeter of the Horse Pasture and in other locations required by the park manager.
 - c) The use of steel or non-toxic shot at Missouri Headwaters State Park is recommended and encouraged during all live fire situations.
 - d) All spent shot gun shell casings and wads will be picked up.
- 6) **Club Sanction Field Trials:** The Gun Dog Club will provide by February 28th of each year, a calendar of Field Trial events, secure and submit for authorization through regional enforcement division of FWP all necessary permits.
- a) A representative of the "Club" must submit an "Application for Permit to Conduct Field Trial." For each of the four (4) organized field trial events to FWP's designated liaison, under this permit. Required information to be included is the name of the field trial event, names of event organizer(s), and contact phone numbers.
- 7) **Release of Live Birds** The release of live birds is restricted to the Horse Pasture. The release of live birds outside of above described areas under this permit is prohibited.
- 8) Public Vehicle travel will be limited to the southeast ingress and egress gate location in the Horse Pasture. Indiscriminate motor vehicle travel is prohibited in the Horse Pasture and pit area will be closed to all motor vehicle travel to prevent the spread of noxious weeds. All other gates located on the perimeter of the Horse Pasture at the southwest and northwest corners of the Horse Pasture will remain locked during training and field events. The Gun Dog Club is prohibited in the use of Off-Highway vehicles as defined under Montana Statute, Title 23-2-811, beyond designated road and parking areas within that area known as the Horse Pasture. The only exceptions to this rule will be to provide reasonable accommodations to people with disabilities and for administrative access, which must be approved in advance and in writing, on a case-by-case basis by the park manager
- 9) Camping is prohibited within the Horse Pasture, which is designated as a Day Use only area. The Park Manager may allow no more than two individuals to camp in the horse pasture parking area during field trials to provide security for stored equipment and trial stations. Individuals or groups not affiliated with Missouri Headwaters Gun Dog Club may NOT use the pasture area for camping during a Field Trial. Furthermore, the Gun Dog Club may NOT authorize groups not affiliated with the Missouri Headwaters Gun Dog Club to camp in the Horse Pasture area.
- 10) The Gun Dog Club may have no more than two utility trailer units located at the south east ingress area for the purpose of securing equipment used at the time of approved Field Trials.
- 11) **AREA RESTRICTION;** Field trials and training activities shall be restricted to the south two thirds of the Horse Pasture when livestock are present within the horse pasture. The northern portion of the pasture as posted will be a restricted Safety Zone for the use and security of FWP livestock (horses) when present. Hunting and organized dog training, defined as a structured or planned session, is prohibited in the Safety Zone when livestock are present.
- 12) **Weed Spraying and Control;** As mentioned in the fee adjustment, The Gun Dog Club may perform weed spraying or control on the Horse pasture area in consideration for the yearly fee adjustment. Any weed control or spraying must be documented and weed spraying logs turned over to Missouri Headwaters State Park, so it can be included in our biannual weed report as required by the Montana Department of

Agriculture and Montana State Legislature. Spray log information to include: Day and weather conditions, herbicide used, area where sprayed and targeted weed species.

- 13) The permit may be canceled at any time upon thirty days written notice should cancellation be deemed in the best interest of the Missouri Headwaters State Park and/or Montana Fish, Wildlife & Parks.
